

## 10 year warranty on EVC workstations

Big news at EVC! From now on we give a 10 year warranty on our EVC workstations.

You already knew that our workstations are exceptionally good in terms of working efficiently and ergonomically, but also in terms of quality our workstations are sublime. They have always been, but we have never propagated that in this way. We have confidence in our robust packing tables and we are going to prove it to you by giving a 10-year warranty on our packing tables. After all, if you purchase an EVC workstation, you have purchased a [high-quality workstation](#) with a 10-year warranty on manufacturing defects. The conditions are available at your account manager, feel free to ask for them.

## EVC workstations everywhere

A while ago we have already indicated, but in more and more places you will come across the rock solid EVC workstations. That's because our work stations are unequalled when it comes to durability and flexibility. Not only will you have a **lot of convenience**, you will also **enjoy** your EVC packing tables **for a very long time**.

## Distinctive Packing Concepts

EVC stands for **Distinctive**, meaning we want to do things differently than others; in our own way. With this concept we think we can make a contribution to that. We know that our workplaces are of high quality and that's why you get a 10 year warranty! Of course, other things such as **fast delivery and assembly** remain. We want to do everything we can to find the best solution for you.

## Contact us

Our high-quality EVC workstations will provide you with many years of working pleasure. You don't have an EVC workstation yet? Please [contact](#) us so that we can work with you to come up with beautiful solutions for your company. Much is possible and we do not know 'no'.
